STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your Complainant and/or Signing Officer designated below, being duly sworn, has reviewed police reports relating to the above-named Defendant and the allegations contained herein, and/or has spoken with peace officers having knowledge of the alleged incident, and based upon that information, believes the following to be true and correct.

On June 8, 2012, Faribault Police Officer Cadie Spicer received a report of Criminal Sexual Conduct that occurred at a school in Faribault, Rice County, Minnesota in 2001. Rebecca McRoberts, with Olmsted Community Corrections, reported she was told of the assault while conducting a pre-sentence investigation on a criminal sexual conduct case involving **Victim #2 (06/10/83)**. Victim #2 disclosed to Ms. Roberts that while he attended the school in Faribault, MN, a teacher named **LYNN PHILLIP SEIBEL (12/20/41)** (the Defendant herein) forced him and other classmates to masturbate in front of SEIBEL. Victim #2 told her SEIBEL taught him how to make his penis larger. Ms. Roberts was not sure what Victim #2 meant by the statement. Ms. Roberts told Victim #2 that because she is a mandated reporter she had to tell police about the incident. Victim #2 expressed that he did not want to deal with what happened at the school in Faribault and wanted to focus on his own charges. Ms. Roberts reported that Victim #2 disclosed the same incident during a psycho-sexual evaluation.

On June 26, 2012, Faribault Police Detective Brandon Gliem met with Victim #2. Victim #2 agreed to speak with Detective Gliem. The following is a brief synopsis of Victim #2's digitally recorded statement regarding his time as a student of SEIBEL's:

- he attended the school in Faribault from 1997 to 2001 [when he was between 14 and 17 years old] as a student, and SEIBEL was a teacher at the school during the time Victim #2 was at the school;
- he lived on campus seven days a week;
- during his third and fourth year at the school he lived in the dorm in which SEIBEL worked and lived as the "dorm parent;"
- most of the dorm rooms had two male students in them and some had three;
- SEIBEL lived on the same floor as he as a "dorm parent," in an apartment at the end of the hall;
- SEIBEL was a Hollywood actor and directed all of the theater activities at the school; SEIBEL also taught all the drama classes at the school;
- he took SEIBEL's theater class;
- SEIBEL was a "very interactive dorm parent per se," and everyone seemed to know him, and SEIBEL knew everyone's name at the school and often told ghost stories about the campus; SEIBEL would talk about how some students were "well hung" and speak about past students;
- during his third and fourth year at the school, he heard about SEIBEL telling stories about orgies from Hollywood and he also heard a story about SEIBEL's so-called "sessions"
- he heard during the "sessions" SEIBEL would teach students how to make their penises larger
- he attended one of the "sessions" in Victim #3's dorm room; Victim #3 was a fellow student in Victim #2's class; Victim #3 had a large dorm room with three beds but only two students assigned to the room;
- there were 10 to 12 students in the room during the "sessions," and they were in separate areas of the room
- the lights were dim during the "sessions";

- the students would bring in pornography and/or watch pornography on a television, and SEIBEL would walk around the room and instruct students on ways to make their penises larger by getting more blood flow and using certain methods of touching; SEIBEL would say something like, "This is how people in Hollywood do it";
- SEIBEL would walk around the room with a ruler and would measure the students' penises both before and after they were finished;
- SEIBEL would not expose himself to the students, and Victim #2 did not see him touch anyone during the sessions;
- the students would ejaculate, and SEIBEL would encourage them to ejaculate ;
- he attended two of the "sessions";
- he believed these "sessions" were how SEIBEL "attracted or lured....or whatever" students;
- he recalled hearing jokes about SEIBEL "creeping around the dorms" and how "when the showers turned on, he happens to walk by or peek his head in."

Victim #2 also told Det. Gliem about another incident involving SEIBEL. Victim #2 stated that one night during Spring Semester 2001, after spring break [placing the incident between March 2001 and May 2001 - when Victim #2 was 17 years old], Victim #2 was running late for curfew and had to enter the dorms through the side door, which led to SEIBEL's apartment. Victim #2 stated that night he was feeling vulnerable and just wanted to talk with someone because he was having a lot of problems with his girlfriend. Victim #2 explained that his girlfriend had an unplanned pregnancy that resulted in an abortion. Victim #2 knocked on the door and recalled SEIBEL's wife opening the door and taking him to SEIBEL's den. Victim #2 sat down, and SEIBEL was seated in a chair next to him approximately an arm's-length away. SEIBEL would often make comments to Victim #2, such as "Have you ever tried modeling?", and "You have a good V shape," referring to Victim #2's body figure.

Victim #2 told Det. Gliem that SEIBEL ended up "groping" him that night and watched Victim #2 "jerk off." Victim #2 recalled SEIBEL touching and stroking Victim #2's penis with SEIBEL's hands. Victim #2 stated SEIBEL then began to stroke SEIBEL's own penis. Victim #2 remembers SEIBEL encouraging him to ejaculate and telling him, "It's alright to finish." Victim #2 recalls ejaculating, cleaning himself up, and leaving SEIBEL's apartment.

After the incident that night, Victim #2 stated that was the last time he spoke with SEIBEL. Victim #2 did not tell anyone at the school what happened to him because it was embarrassing. Victim #2 stated, "There had to be stuff going on, other people getting touched. I can't say for sure, but I can't be the only one out of how many years he was there." Victim #2 stated he always kept this stuff in and did not tell anyone about this incident including his parents.

Victim #2 left the school in Faribault in the summer of 2001 and moved to Rochester, where he attended high school in the fall of 2001 and finished high school in Rochester.

Victim #2 believes SEIBEL took advantage of him because he was a "late bloomer" and he "hit puberty late." Victim #2 said he can't speak for SEIBEL but that may be why he was chosen by SEIBEL as a victim. Victim #2

believes things have changed regarding "sexual predators," and believes if this happened today it would have been reported and SEIBEL would "be in jail." Victim #2 stated as he looks back on the incidents, he believes SEIBEL was using his position as a teacher and as a dorm parent to get access to underage teenage males.

Victim #2 told Det. Gleim that he recently saw SEIBEL on television on the show "The Big Bang Theory," and that he would definitely be able to identify SEIBEL if he was shown a picture of him. He described SEIBEL as an elderly Caucasian male with a gray beard and bald head.

On July 3, 2012 Faribault Police Detective Matt Long and Det. Gliem located **Victim #3 (01/04/1984)**, referred to by Victim #2, and met with him at his home. Victim #3 was willing to talk with the officers regarding his high school years in Faribault, Rice County, MN. The following is a synopsis of Victim #3's digitally recorded statement:

- he attended high school in Faribault and lived in a dorm between 1998-2002 [when he was between 14 and 18 years old];
- he recognized SEIBEL when shown a driver's license picture of SEIBEL and identified SEIBEL as the drama teacher at his former high school;
- he took two of SEIBEL's classes, and SEIBEL was also a "dorm parent" for his dorm;
- he agreed that SEIBEL was an "authority figure" at the school;
- he stated, "I'm sure I know where you are going with this, I mean I've heard of kids coming out against him saying he was a pedophile." Victim #3 also said, "I heard he got kicked out for child pornography, they found it on his computer or something";
- SEIBEL would always talk about his time in Hollywood and often made homosexual references and would often show up in the showers when male students were using the showers; SEIBEL would also come into the locker room when they were changing and watch them;
- there were "rumors about that a student got abused by Seibel" and said the name of that student was Victim #1; Victim #3 later said, "I think it's one of those things where he would've got in trouble if it had gotten reported," referring to Victim #1's incident with SEIBEL; he recalled Victim #1 being gone and in SEIBEL's apartment alone for at least an hour;
- students knew SEIBEL was a "red flag" while he was at school;
- he believes, "There are kids that will have better stories than I have; well not better, worse";
- there was a hazing ritual at the school where male students would run naked across the parade field and knock on the girls' dorms; SEIBEL was always supportive of those activities when other instructors were not around;
- he was present while SEIBEL was instructing other students how to masturbate inside Victim #3's dorm room;
- SEIBEL would walk around the room with a ruler and talk about whose penis was larger; the ruler had notches on it that SEIBEL said were [measurements] from other students;
- the students were in different areas of the room while SEIBEL walked around and described how to "pull on your genitals";

- Victim #3 was in a chair in the corner of the room and recalled Victim #5 (11/01/1983) and another named male student (07/22/82) being present in the room during the incident;
- he believes he was 16 years old when the incident occurred and thinks it happened in the fall [placing the incident between August to December of 2000];
- he recalls SEIBEL standing in the doorway during the incident looking around to make sure "he didn't get caught in the dorm room by anyone else";

Victim #3 described SEIBEL by saying, "Aside from his sexual behavior, which was more of a joke, he was a very large figure at the school, he would announce everything at parents' weekend and other things." When asked if he was ever touched inappropriately by SEIBEL, Victim #3 said, "Maybe when he handed the ruler around he touched it for a second but that's about it." Victim #3 said he isn't surprised about the allegations against SEIBEL.

On July 31, 2012, Bureau of Criminal Apprehension Special Agent Scott Mueller and Det. Gliem met with **Victim #1 (07/12/84)**. Victim #1 agreed to meet with the officers at his home and speak with them about his time at school in Faribault, Rice County, MN.

Victim #1 told the officers he had been waiting for someone to contact him about this and agreed to provide a statement. Victim #1 requested information on the status of our investigation and where it originated. Victim #1 said, "I know where this is heading," and also asked if there were several victims or if he was the only person with whom police were speaking. Victim #1 said, "This shit you're talking about, we both know what topic without even addressing it, it ain't going to be comfortable." Victim #1 also requested to see the officer's identification to make sure they were who they said they were, noting, "They aren't stupid" (referring to the school). The following is a synopsis of Victim #1's digitally recorded statement:

- he attend the school from 1999 to 2002 [when he was between 15 and 17 years old], and the majority of the things that happened to him while he was at the school occurred during his sophomore year when he was 15 years old;
- he said, "I don't know if anyone has brought up the term AP Drama to you" but that's what it was called;
- when he started school he was living in a dorm on campus;
- he went to the school because he had friends from the same area of his home town who had attended the school in Faribault; his mother is also from MN and had relatives that lived in the area; it was difficult being away from home without his parents as a teenager;
- during his sophomore year between August 1999 and June 2000, [when he was 15 years old] he lived on the third floor of the dorm in which SEIBEL was the "dorm parent"; other minors, including Victim #3, Victim #5, and 5 other named minor male students all lived on his floor;
- he slowly got introduced to all the "weird fucking shit, that from my experience was called AP drama, which was basically a big circle-jerk with a teacher involved, which sucks"; "It was called AP drama because the guy that did it was the drama teacher, but obviously there is no advanced placement drama"; he did not believe the "AP drama" was homosexual at the time;
- he identified the drama teacher as "SEIBEL" and as a dorm parent who lived in the dorms with the students

- he asked, "Did anyone talk about a ruler? There was a ruler";
- he was present during several of the "sessions" but not all of them; the "sessions" took place in a dorm room with a television and a VCR; there would be porn playing on the television;
- he did not recall SEIBEL touching anyone during the incident but it could've happened;
- "There were rumors about people being touched by him. I can say for a fact that he did touch me, I don't want to tell you that believe me, but he did and that was where I was exposed to a ruler";
- the ruler had notches in it and initials from other students and was used to measure your erection;
- SEIBEL also touched him in SEIBEL's office that was connected to SEIBEL's apartment;
- students had to "check in" on the weekends with a dorm parent; he recalled going to SEIBEL's apartment and SEIBEL answering the door; he asked Seibel about "AP Drama" or something like that, and SEIBEL told him he would show him;
- "I just masturbated in front of him, it's so fucked up. That's what happened. I just wanted to get it out"; "To say that out loud, knowing I was exposed to something like that, it's difficult, I have been pacing back and forth waiting for you guys because I just wanted to get it out";
- "He touched me, yes. He definitely touched my erect penis"; the incident was referred to as "Solo AP Drama"; SEIBEL stroked his penis up and down with both of his hands during the solo session; he ejaculated into a tissue in the room during the solo session;
- SEIBEL compared the size of Victim #1's penis to that of Victim #4's (07/05/82) by saying, "Your almost as big as [Victim #4]" when measuring Victim #1's penis with the ruler;
- he thought Seibel may have been trying to build up confidence in him at the time;
- there was never a time during the incident where he thought he could stop it because everyone talked about it, it was like "once you're in it you're in it";
- "With the ruler [SEIBEL] was playing to 15, 16, 17 year old students' egos about the size of their junk" by claiming he was helping them get a bigger penis;
- "What happened to me makes my stomach hurt."

Victim #1 was reluctant to give officers other names and stated that it was difficult to give the names of students that were present during the sessions or had private sessions with SEIBEL. Victim #1 said "basically you could just get the roster of the dorm when I was there and everyone was involved in this." Although Victim #1 made clear SEIBEL lived in the dorms with his wife and three children, he did not believe that SEIBEL's wife knew what was going on, but he is unsure.

Victim #1 also recalled having "naked dance parties," where male students would go to the shower and dance naked to loud music. Victim #1 stated that SEIBEL was the organizer of the "naked dance parties" and was present during them.

Victim #1 told the officers, "I've been waiting for ya, it had to happen at some point, I wish I would've been the one [to come forward]." He admitted struggling with his experiences of the incidents, especially during the media coverage of Penn State. He contemplated speaking with someone, but thought he would be the only one speaking up and it was difficult because of some of the big names that went to the school when he did. After speaking with police, however, Victim #1 stated he felt better telling officers what happened to him and agreed to

keep in contact with them in the future if he had more information.

On August 6, 2012, BCA Special Agent Gary Swanson and Det. Long conducted a digitally recorded interview with **Victim #4 (07/05/1982)**. When asked if he knew why Investigators wanted to speak with him, Victim #4 stated that it likely involved some inappropriate things that happened between one of the dorm parents and a substantial amount of the kids during the time he attended the school in Faribault. The following is a synopsis of Victim #4's digitally recorded statement:

- he was a student at the Faribault school between 1999 and 2002 [when he was between 17 and 19 years old]; he lived on campus at the school in a dorm;
- he had roommates he identified as other minors including Victim #3, Victim #5, and four other named minor male students; his first roommate was Victim #3;
- he had several different "dorm parents" while he lived in the dorms, including SEIBEL;
- he explained that dorm parents are people who were teachers or coaches and in a position of authority over the kids and maintained discipline and order in the dorm rooms;
- there were several instances of inappropriate activities that took place under SEIBEL's supervision; one such activity was commonly referred to by the students as "AP Drama"; SEIBEL would call for an "AP Drama" class; it consisted of several male students sitting around in a dorm room watching pornographic movies and masturbating;
- At "AP Drama" there would be anywhere from 4 to 10 students; SEIBEL would always be present and would be giving instructions on different techniques in masturbation, on how to pleasure a woman, and how to make your penis longer; during these instructions, SEIBEL would touch the students' penises; these AP Drama sessions would occur a couple of times every year;
- SEIBEL had a ruler, described as a 12-inch wooden desk ruler, with marks and initials on it that SEIBEL would use to measure the students' penis length; he would then mark on the ruler with their initials to show the length of their penis;
- in most cases, the sessions would end in the students ejaculating;
- during the sessions, SEIBEL would be fully clothed and, other than touching the students on their genitals, there would be no other sexual contact or penetration of any of the students;
- he identified other minor male students who participated in the "AP Drama" sessions, including Victim #3, Victim #5, 10 other named minor male former students.

Victim #4 also told investigators that SEIBEL would almost always be present in the shower area when the male students were showering. He stated they would take bets on how long it would take SEIBEL to show up once someone turned on the water.

Victim #4 also described how several times each semester SEIBEL would organize naked shower parties. These parties would consist of everyone in the dorm getting naked, turning down the lights and showering together in the big community shower where there would be music going and lights flashing. SEIBEL would always come in and be present for these parties, but would always have his clothes on.

Victim #4 also stated that SEIBEL was known to arrange a big streak every year where the guys would get naked and run over to the girls' dorm.

Victim #4 stated that to the best of his knowledge, he did not hear of any one-on-one sexual encounters with SEIBEL and that Victim #4 had certainly not been involved in anything one-on-one with SEIBEL. Victim #4 stated that at one point SEIBEL approached him and tried to talk him into getting into acting in pornographic movies.

On August 12, 2012, SA Mueller and Det. Gliem traveled to Long Beach, California, to meet with Los Angeles Police regarding the investigation of SEIBEL. Prior to traveling to Long Beach, SA Mueller spoke with Los Angeles Police Lt. Andrea Grossman, the commander of the Long Beach Internet Crimes Against Children Task Force, who agreed to assist in the investigation. SA Mueller and Det. Gliem met with other local investigators in Long Beach, including Detective Lisa Kelly, who worked for a federal task force investigating crimes involving Internet predators, and who drafted a search warrant for SEIBEL's residence authorizing the search and seizure of child pornography.

On August 13, 2012, Los Angeles Police Department officers and investigators executed the search warrant at SEIBEL's residence in California. SEIBEL and three other males were at the residence and were detained. While other officers executed the search warrant, SA Mueller, Det. Gliem, and LAPD Detective Madrigal spoke with SEIBEL inside an unlocked bathroom. SEIBEL was told he was not under arrest and that he did not have to speak to the officers if he didn't want to, and that he could stop speaking with the officers at any time if he wished to stop. SEIBEL agreed to provide a recorded statement regarding his time teaching in Faribault, Minnesota. The following is a synopsis of SEIBEL'S digitally recorded statement:

- he started working at the school in Faribault, Rice County, Minnesota as a teacher in 1993; he moved his family to Minnesota from California in 1990 so their children could get the best education possible
- he was a dorm parent and drama teacher; he lived on the first floor of a dormitory with his wife and his two sons; he also lived at the school during the summer months and helped out with campus;
- when he left Faribault, he was going through a divorce, and his wife was planning on moving back to Rhode Island;
- he has several students from the school he still speaks with occasionally;
- he suspected the police wanted to speak with him about "some of the incidents in the dorms"; he stated, "I look back and I said, you know, that was kind of stupid";
- he admitted to telling underage male students how to make their penises bigger;
- he first said, "I never did anything inappropriate, never touched anyone";
- he said, "The kids wanted to know how to make their penises bigger, you know that old story, and I happen to know, so I showed them"; During the sessions, "the kids would, would be there playing with themselves and trying to get, make it bigger";
- the sessions occurred in various dorm rooms and varied from 3 kids to as many as 8 kids in the room;

- the kids "would get to the point where they would measure it with a ruler"; he first denied measuring any of the students with the ruler or touching their penises during the sessions;
- he said, "I was very aware of the fact that, that would get me in a lot of trouble";
- he admitted, "I exploited my authority and I exploited their trust, um, it seems";
- he also said, "I never believed it was criminal";
- he said he got caught up in being the "big dude" [on campus].

SEIBEL did eventually admit to measuring the male students with the ruler and touching their penises during the incidents. He demonstrated to officers how he would measure the students with the ruler by placing his hand against his body near the crotch and he would then mark the appropriate place on the ruler. SEIBEL admitted, "Did my hand touch their penis? Yea, and that wasn't right." He also admitted to stroking students' penises, saying, "There were times when I did inappropriately touch and it was stupid, it was stupid on my part."

He denied getting naked in front of the students during any of the incidents. He stated, "I thought I could get by with it," referring to why he didn't get naked in front of the students. SEIBEL admitted to knowing the students were underage at the time of the incidents.

SEIBEL identified Victim #4 as a kid who carried a magic ruler around. He believes Victim #4 still has the ruler that was used to measure the students. He was told that Victim #4 brought the ruler to college with him.

SEIBEL recalled several kids who were "upset," identifying three of them as Victim #2, Victim #3, and another named minor student. He later heard that Victim #2 had gotten his girlfriend pregnant, but said he didn't know that at the time.

He admitted remembering the name of Victim #1. When referring to Victim #1, he said, "Did he tell you that he was drinking at the time?" While speaking about Victim #1, SEIBEL said, "It was one of those times that I was inappropriate." He admitted to instructing Victim #1 on how to stroke Victim #1's penis and showing him how to force the blood into his penis. He also admitted to stroking Victim #1's penis during the incident. When asked if Victim #1 ejaculated during the incident, SEIBEL said, "I don't remember who did and who didn't, but I suppose he did, some of them just went home and went back to their room. In Victim #1's case, I suppose he did."

SEIBEL also admitted to having, "one-on-one" sessions with Victim #2, Victim #5, and Victim #1. He said he didn't recall having any one-on-one sessions with other students. He denied having a "one-on-one" session with Victim #3, but said he recalled Victim #3 organizing a "group session" with about 20 kids. He stated he walked into the room for the group session, but walked out because he thought that was too many kids.

SEIBEL stated he spoke with one student about the "sessions," but he doesn't recall that student being present at any of them. He said the incidents probably didn't start until 1996 or 1997. He said several students had also accessed porn on his computer. He admitted to watching some of the porn videos on his computer, but he didn't recall any of the porn involving underage kids. He denied having any child pornography on his computer while he was at the school, stating that he didn't know how to access child pornography on his computer.

He said he left the school "because there had been talk about this." He stated he told the school staff, "basically what I'm telling you, except I didn't tell them about touching anybody." He stated in his conversations with School Headmaster Brown, that Brown told him, "Lynn, you're a sick man. You need to do something about it," and Headmaster Brown told him to "get help."

He admitted to receiving a citation for lewd conduct in Los Angeles, CA in 1986. He said the citation was for masturbating in a sauna in front of an undercover officer. He claimed to be bisexual, stating, "None of this would've happened if I didn't have some type of interest in this." He also admitted to being "turned on" while watching the kids during these incidents.

Prior to leaving the apartment, LAPD Detective Escontrias again advised SEIBEL that their investigation into the possession of child pornography was separate from the Minnesota investigation. LAPD Detectives informed SEIBEL they had located several images of suspected child pornography on the hard drive from his computer in his bedroom. Detectives said the images depicted what appeared to be underage males in sexual explicit pictures. During the search warrant execution, LAPD Detectives also located in SEIBEL's room two student directories from the school in Minnesota where SEIBEL had worked. LAPD Detectives also located a handwritten letter from a prisoner in St. Cloud, MN, signed by a former student of the school where SEIBEL taught in Faribault, MN. The letter spoke about how he was a student of SEIBEL's. At the conclusion of the search of the residence, LAPD Detectives arrested SEIBEL for probable cause of possessing child pornography. SEIBEL is currently located in the Los Angeles County jail.

On August 20, 2012 Det. Long, Det. Gliem, and SA Swanson met with **Victim #5 (11/01/1983)**. Victim #5 agreed to provide a recorded interview. The following is a synopsis of Victim #5 statement:

- he attended the school in Faribault, MN from 1999-2002 [when he was between 15 and 18 years old]; he lived on campus in a dormitory;
- his roommates were minors at the time including Victim #3 (sophomore year), and two other named minor male students during his junior and senior year;
- dorm parents lived on each floor at either end of the halls; dorm parents performed supervisory duties over the boys that lived in the dorm; dorm parents had a position of authority over the boys and guided them;
- he recalled that SEIBEL and his family were dorm parents;
- SEIBEL had some inappropriate interactions with kids; SEIBEL would enter the dorm showers and talk to him when he was showering naked; SEIBEL would enter when boys were showering and have a conversation; it was widespread and commonplace for SEIBEL to enter the showers;
- SEIBEL would talk to them about daily things while they showered; he would also ask them about their sexual experiences with girls;
- he remembered the guys would get together and have a party in the basement shower with a stereo; SEIBEL would come to the basement and watch the shower parties;
- sometimes boys would get together in a room and watch pornographic movies; SEIBEL attended some of the

meetings where the boys watched pornography; he recalled it being referred to as "AP Drama" if SEIBEL came into the room and saw naked boys; SEIBEL would come into the room of naked boys and make jokes and converse; the boys would continue watching pornography while SEIBEL was in the room; the boys would be watching pornography and masturbating and some boys continued to masturbate after SEIBEL would enter the room and hangout; he recalled SEIBEL seeing guys masturbate, and SEIBEL watching pornography with them;

- SEIBEL would have been close enough to the boys to touch them;
- he remembers attending numerous sessions;
- he recalled a ruler being brought to the sessions when asked if anything was brought to the group; he described the ruler as a standard wooden ruler; he commented that if the ruler was brought, it would probably have been used to measure your private parts; he initially stated that he didn't remember SEIBEL measuring boys, but states he could have; he is sure that SEIBEL kept a record of the boys' sizes, but couldn't remember where they were kept; he thinks there were markings on the ruler, but he couldn't remember them exactly;
- SEIBEL did help some of the boys measure themselves; he saw SEIBEL touch the boys' penises when measuring them; SEIBEL would talk to the boys about what to do to make their penises bigger, and these conversations would take place when SEIBEL was in the room with the naked boys; he initially said that SEIBEL was close enough to Victim #5 to touch him, but that SEIBEL did not;
- he identified Victim #1, Victim #3, Victim #4, and another named male student whom were present for the "AP sessions"
- the group sessions he remembered took place in his dorm room when he lived with Victim #3 because they had a large three-person room but only two lived in it; SEIBEL would plan the session and then show up for it as it was in progress; SEIBEL would tell one of the group and then they would tell the rest of the group; he remembers SEIBEL telling him and others to gather their friends for a session, and SEIBEL would suggest to the boys to have a group session and he would show up;
- SEIBEL paid more attention to Victim #2 than others; SEIBEL would discuss how Victim #2 was well endowed;
- SEIBEL would discuss his sexual history with the boys including having sex with multiple people at once;
- he remembers Victim #1 going alone to SEIBEL's office attached to SEIBEL's apartment; Victim #1 told Victim #5 that he watched pornography with SEIBEL alone in the office;
- he initially said that SEIBEL had never touched him sexually and had never helped him masturbate, but then said that SEIBEL could have touched him when measuring him;
- he initially said that he never had alone time in SEIBEL's office and that SEIBEL hadn't ever had one-on-one time with him when Victim #5 was naked; he later stated, however, that he had alone one-on-one time with SEIBEL in his dorm room; he later admitted that SEIBEL was in his room with him alone when Victim #5 was naked; he later stated that he was touched by SEIBEL when he measured him on the one-on-one occasions;
- he was masturbating alone in his room, and his roommate, Victim #3, was gone for the weekend; it was common for Victim #3 to be gone during the weekend because he went home often; SEIBEL knew Victim #5 was usually alone during the weekends; he was naked and watching pornography while masturbating, and SEIBEL was just hanging out in his room alone with him; SEIBEL gave him pointers when they were alone for making his penis bigger; he remembered SEIBEL having a ruler with him when they were alone;

- SEIBEL was in his room alone with him once or twice while Victim #5 was watching pornography and masturbating;
- he never saw SEIBEL naked and never saw SEIBEL touch himself sexually;
- he recalled streaking to the girls' dorm after shower parties in the basement;
- he does not think that any other staff knew about the AP Sessions; most of the AP sessions took place in his sophomore and junior years [placing the incidents between August 2000 and October 2001];

On August 21, 2012, SA Mueller and Det. Gliem met with **Victim #6 (10/01/1985)**. Victim #6 agreed to a recorded interview with the officers regarding his time as a student in Faribault, MN. The following is a synopsis of Victim #6's statement:

- the Jerry Sandusky case reminded him of SEIBEL;
- three days before meeting with the Detectives, he received a text message from a named friend of his who told Victim #6 that SEIBEL was arrested in Los Angeles; he wasn't shocked about the arrest; he had difficulty sleeping over the next several evenings because it was difficult for him to deal with what had happened; he located a news report from KARE11 and watched the report online which referenced a former staff member being investigated at the school; he knew the report was referencing SEIBEL;
- during his recruitment to the school, he recalled when he toured the school he visited SEIBEL's classroom;
- he started at the school in ninth grade and attended the school between 2000 and 2004 [when he was between 14 and 18 years old];
- he had heard stories about how weird "Seibs" is, and in his sophomore year he noticed that SEIBEL would often come into the shower and stare at students' penises; students joked about it and kind of thought it was funny;
- SEIBEL came into his dorm room and asked him to take his shirt off on occasion; SEIBEL would also watch porn on the computers in the dorms with students and tell them they could be male models;
- he recalled being in SEIBEL's drama classroom and SEIBEL locking the door while seven or eight guys would be in the room; SEIBEL would then start talking about sex and would try to give the guys "sex tips"; SEIBEL would say, "Right before you cum you can squeeze the base of you penis and it will last longer"; he estimated that "twenty percent" of the drama classes he was in with SEIBEL included the group sessions which where students masturbating or watching porn;
- SEIBEL pulled up porn on the computer in his classroom, and SEIBEL would encourage students to masturbate and get their penises erect in the classroom; the porn SEIBEL would show them was guy/girl porn; he didn't recall SEIBEL getting naked or taking out his penis in the classroom sessions; SEIBEL was very well "camouflaged"; he did recall SEIBEL getting an erection in his pants and showing it to the students during the classroom sessions;
- he recalled SEIBEL sitting at his desk using the computer while the students were "huddled around" him masturbating; he recalls SEIBEL commenting on the pornography saying, "look at that ass," "great tits," and "look at that dick"; SEIBEL encouraged the students to masturbate and even gave instructions to them while they were gathered around him watching the porn; SEIBEL watched everything that happened intently;
- one time when he was in SEIBEL's classroom alone with SEIBEL, SEIBEL said to him, "I heard you got a

nice cock"; SEIBEL asked him to take his penis out, and he got an erection; SEIBEL touched his penis while they were together in the classroom alone and described SEIBEL touching his penis with SEIBEL's wrist down and thumb away from SEIBEL's body with SEIBEL's hand wrapped around his penis; he participated in two of the sessions in SEIBEL's classroom by himself;

- SEIBEL traced Victim #6's penis on a piece of paper during one of the group settings; the majority of group sessions in the classrooms were during his sophomore and junior year [placing the incidents between August 2001 and June 2003]; during his sophomore and junior year, he was involved in approximately 12 group sessions in SEIBEL's classroom; SEIBEL would send some kids out of the classroom to do research or to study before the sessions, and the students that participated in the sessions were all males who were physically fit;
- he identified two other named minors being present during the group sessions in SEIBEL's classroom; he identified six other minor male students, including Victim #3, who may have also had individual one-on-one sessions with SEIBEL;
- he contemplated speaking with someone about the incident, but he said he didn't want to be the person to turn in the "cool teacher"; SEIBEL's class was an "easy A";
- he heard stories about people being in and out of SEIBEL's dorm all of the time, and recalls SEIBEL asking to see his penis in the dorms while he was walking to the showers with only a towel on.

Prior to leaving Minnesota in 2003, SEIBEL had resigned as a teacher from the school after being confronted in July 2003 by the new headmaster regarding pornography on his school issued computer. SEIBEL had taken his computer to the school's IT department for repair, and IT personnel located inappropriate and sexually explicit material while attempting to repair the computer. The computer was turned over to school authorities and, after a forensic search of SEIBEL's computer, it was determined he was in possession of child pornography. SEIBEL was told by school officials that his computer was being forensically examined, and at that point SEIBEL tendered his resignation, left Minnesota, and has not returned since leaving in 2003.

Approximately 14,000 pornographic files/images were located, and the report notes "a significant portion of these appear to be illegal child pornography." Subsequent review of the material by BCA SA Mueller confirmed "the images were without question illegal child pornography." The material from the 2003 forensic evaluation were labeled and packaged as evidence and are currently being held at the BCA.
