Dear Ken,

It has been my honor to be at your side as your Vice Chair of the University of Minnesota Board of Regents for the better part of the last four years. I thank my fellow Regents for the honor of this leadership position. The University of Minnesota has so much to be proud of in regard to its performance and accomplishments.

After our meeting on Saturday morning, I have come to the realization that I should resign from the Vice Chairmanship effective immediately. I owe that position to my colleagues who have shown disapproval in my actions. I do so humbly and thoughtfully, with knowledge that the success of the University of Minnesota is the most important focus and is much more important than any one person or position.

Thank you, Mr. Chair – your leadership has been tremendous – thank you colleagues for giving me this leadership opportunity

I plan to continue to serve the University on the Board of Regents until my term is completed.

Go Gophers and Go Bulldogs and Go Cougars and Go Eagles and Go Raptors!

Sincerely,
