

September 4, 2024

Dear Residents of Bloom Lake Flats,

I hope this letter finds you well. I am writing to inform you that effective October 9, 2024, Clare Housing will no longer be providing services at Bloom Lake Flats. This decision follows the verbal conversations that were conducted with residents in mid-July.

Although Clare Housing will be discontinuing its services, please be assured that our support staff will be available to assist those interested in connecting with outside organizations that provide case management services until our departure on October 8<sup>th</sup>. We understand the importance of continued support, and we are committed to helping residents transition to alternative resources as smoothly as possible.

It is important to note that this change will not impact your housing situation. Bloom Lake Flats is owned and managed by Project for Pride in Living, and your residency will remain unaffected by Clare Housing's departure. If you wish to relocate, please remember that any move must be in accordance with the terms of your lease agreement.

We understand that changes like this can be challenging, and we are here to support you during this transition. If you have any questions or concerns, please do not hesitate to reach out to our team.

Thank you for your understanding and cooperation.

Sincerely,

*McCormick Gustafson*

Senior Supportive Services Manager
