

800 Borner St. Prescott, WI 54021 Phone 715-262-5544

October 16, 2024

Prescott, WI - The City of Prescott was made aware today of an incident that occurred within the South Washington School District while off-duty City of Prescott Patrol Officer Steve Williams, a two-year veteran of the Department, was serving as a substitute teacher. Based on the information received from the school district and the active investigation by the Woodbury Police Department the Officer in question has been put on Administrative Leave. Mr. Williams was not serving in an official capacity as a Police Officer for the City of Prescott when the alleged actions occurred. The City of Prescott and the Prescott Police Department find the current allegations, if true, made against Mr. Williams to be very disturbing, reprehensible, and we in no way condone his actions. Our deepest sympathies go out to the South Washington School District, staff and students.

Currently, we are not going to be taking any additional questions in regard to Mr. Williams as we conduct our own internal investigation and to allow for Woodbury Police Department to conduct their investigation.
